Dear brother Chuck:

The elders<sup>E</sup> here at Cleveland are  
uncertain as to whether you have a  
meeting scheduled for the church here.  
They asked me to write you asking that  
you let us know concerning same.

Sincerely,

Dear Brother John Chalk:

In regard to your letter of October 5, we are happy for your opportunity to complete the work necessary to get your degree while you work with the good people in Cookeville.

After very careful consideration, it is our decision that it would not be the best judgment to plan a meeting so near the holiday season as you suggested.

John, we would like very much to have you in a meeting here and would like to hear from you, and keep in contact as many people here speak of you often and remember the good work you did while here. However we are booked up through 1963. In 1964 we plan to have a spring and fall meeting. So far we have not booked anyone.

We wish you Godspeed in your efforts there.

Fraternally,

The elders of the Cleveland church of Christ

Dear Brethren:

*I am Brother Chalk -*  
I am sorry that we could not get together on our proposed meeting for this coming year. I recognize and appreciate your situation there. The decision to not schedule such a meeting fits into my plan of work for the year so that I trust there have been no inconveniences on either side.

*as to whether you are*  
I will be happy for you to consider me for a meeting on either of the following dates: February 23-March 1, 1964, March 8-15, 1964. My one request would be that the meeting start on Sunday night and continue through the next Sunday night.

*Let us hope to meet some day.*  
Fraternally yours,

*Sincerely,*  
John Allen Chalk
